Portfolio: [DJ Ingua](#) | GitHub: [DINGUA02](#)

SUMMARY

Career shifter with a strong background in sales and client service, now focused on front-end web development. Adept at building clean, responsive web apps using modern technologies like HTML, CSS, JavaScript, and React. Known for strong communication, attention to detail, and delivering under pressure with skills developed through years of customer-facing work. Now driven to contribute to teams building scalable, user-centered digital experiences.

TECHNICAL SKILLS

Languages & Frameworks: HTML5, CSS3, JavaScript (ES6+), React.js

Tools & Technologies: Git & GitHub, Netlify, VS Code, REST APIs, Responsive Web Design

Soft Skills: Team Collaboration, Problem-Solving, Communication, Adaptability

PROJECTS

[Shopeeng](#) – Ecommerce MVP

Built a fully functional ecommerce MVP inspired by Shopee. Features real API integration, cart and checkout functionality. Designed for future expansion with payment and auth integration.

Tech Stack: React, JavaScript, CSS Modules

[LockedIn](#) – Job Listing Aggregator

Aggregates job listings from a dummy API using React. Implements search, filtering, and state management logic using **useContext** and **useReducer** for scalable component communication. Originally envisioned as a personal job search tool.

Tech Stack: React, JavaScript, Tailwind CSS

[Personal Portfolio Website](#)

Showcases project work and resume. Designed with clean UI, soft shadows, and a minimalist layout using responsive CSS.

Tech Stack: React, JavaScript, Tailwind CSS

EDUCATION & TRAINING

Uplift Code Camp – Frontend Developer Bootcamp (Feb 2025 – Jul 2025)

- Completed an intensive, hands-on bootcamp focused on modern front-end web development.
- Gained practical experience building real-world apps using HTML, CSS, JavaScript, ReactJS, and Git.
- Worked in collaborative environments using Git and GitHub, simulating real-world dev team workflows.

De La Salle University Dasmariñas – BSBA in Marketing and Advertising, 2018

EXPERIENCE

Hotel Sales – Quest Hotel Tagaytay (May 2022 – May 2023)

- Managed large accounts and consistently exceeded targets
- Communicated with key stakeholders to understand and deliver tailored solutions
- Developed soft skills directly applicable to client-focused dev roles

Reservations Specialist – Intercontinental Hotels Group (Sep 2021 – Mar 2022)

- Navigated multiple systems while maintaining performance under pressure
- Demonstrated adaptability and customer-first mindset

Guest Services Associate – Discovery Primea (Nov 2018 – Apr 2020)

- Handled guest transactions, reservations, and escalations professionally
- Maintained excellent customer service under pressure and tight deadlines
- Developed organizational discipline and strong attention to detail.
